

NOTICE OF PUBLIC MEETING

The City of Oak Ridge, an equal opportunity employer, will conduct a Public Meeting on the 11th day of June, 2008, in the Social Room of the Oak Ridge Civic Center, 1403 Oak Ridge Turnpike, Oak Ridge, Tennessee.

The purpose of the meeting is to discuss Melton Lake Greenway Phase IV. The public will be provided an opportunity to review preliminary planning drawings and provide comments and feedback.

The proposed greenway trail will be an 8-foot wide 2-way pathway, accommodating pedestrians and bicyclists. The greenway trail would begin at the terminus of the existing Melton Lake Greenway Phase III near the intersection of Melton Lake Drive and Edgemoor Road. The proposed trail would follow Old River Road adjacent to Melton Hill Lake, turn west near the old intersection of River Road and Old Edgemoor Road near the old bridge crossing and follow Old Edgemoor road. From there, the trail will leave the road to the North side prior to the Life Development Center property and continue through the woodland for approximately one half mile paralleling Old Edgemoor road. The trail will cross Old Edgemoor Road onto the south side and will follow an old logging road and contours west across a City owned parcel while staying outside the area designated for future recreation. The trail would then meander along established contours until it reaches the existing gravel parking area on Edgemoor Road. The greenway trail would measure approximately 3 miles.

This meeting will be held from 6-8p.m. during which there will be a general overview of the project and open question and viewing opportunities. The public will be invited to ask questions and make comments on the proposed layout and features of the greenway trail. Representatives of the Oak Ridge Recreation Department and Cannon & Cannon, Inc., will be available to answer questions concerning any aspect of the project.

Anyone with questions regarding this meeting should contact:

Josh Collins
Recreation and Parks Department Director
