Summer Camp \$75/one-week session
Non-resident Fee \$10 per summer per child

FOOD FOR CAMPERS - Hot lunches, provided by the Summer Food Service Program for Children, are available each day (except on field trip days).

Children must be present by 9 a.m. to be included in lunch count. This program is provided by the East Tennessee Human Resources Agency and Recreation and Parks staff has no control of the menus that are served. Children not eating hot lunches should bring their own lunch in a personal-size cooler. Drinks may be brought from home or purchased from vending area. Visits to vending area will be limited to lunch time and outdoor pool time, only. Vending drinks are \$0.70 for a 12 oz and \$1.25 for a 16 oz.

CLOTHING & PERSONAL ITEMS - Comfortable clothing should be worn each day. **Camp T-shirts must be worn on all field trips.** Children are required to wear socks and the appropriate athletic shoes for outdoors and gym play. **PLEASE! NO SANDALS OR FLIP FLOPS EXCEPT IN POOL AREA.** The options of swimming at the Outdoor Municipal Pool will be offered to participants whenever scheduling and weather permits. If the child chooses to participate, he or she should bring swim suit, towel, and sunscreen every day, since campers sometimes go to the pool even on field trip days. Personal items should be labeled with the child's name and carried in a backpack or sports bag.

No water guns, play stations/video games, tennis balls or other personal toys should be brought to camp.

HEALTH AND EMERGENCY - Please make sure that the Recreation and Parks staff has been informed of any and all medical conditions and allergies from which your child may suffer. This is especially important in the case of bee sting allergies, poison ivy, food or other allergies. In the event of an emergency,

the staff may authorize medical treatment in life-threatening situations. Parents or guardians will be informed immediately. A statement of consent to this policy must be signed by the parent/guardian at the time of registration.

All Recreation and Parks Department summer staff are certified in Child and Adult CPR and First Aid.

Due to the nature of the activities offered during the summer camps, participants will spend several hours a day outside. Every effort will be made to see that children are protected from excessive sun.

Parents should see that sunscreen is applied to their child prior to the start of camp each day. The Camp staff will encourage children to re-apply sunscreen before going to the pool in the afternoon and will provide

OVER

assistance as needed. Children who are extremely sensitive to the sun may need to have sunscreen applied more frequently. Children must bring their own sunscreen and help take responsibility for applying it.

CAMPER'S ARRIVAL AND DEPARTURE

Camp children must be checked in and out by a staff member on entering and/or leaving the program facilities each day. A child may be released **only** to the person(s) named on his/her registration form. If parents wish to make other arrangements, the parent or guardian must give written permission. After three write-ups, a parent/staff conference will be scheduled to discuss a resolution.

Children involved in fighting, verbal abuse of others, disregard for authority, or any activity that places themselves or others in serious danger will be suspended from the program. No refunds will be made to participants suspended from the program.
