Camp staff has no control of the menus that are served. Children who choose not to eat the hot lunches should bring their own lunch in a personal-size cooler. ## **CLOTHING & PERSONAL ITEMS**

Comfortable clothing should be worn each day. **Camp T-shirts must be worn on all field trips.** Children are required to wear socks and the appropriate athletic shoes for outdoors and gym play.

**PLEASE! NO SANDALS OR FLIP FLOPS EXCEPT IN POOL AREA.** The options of swimming at the Outdoor Municipal Pool will be offered to participants whenever scheduling and weather permits. If the child chooses to participate, he or she should bring swimsuit, towel, and sunscreen every day, since campers sometimes go to the pool even on field trip days. Parents who do not want their child to go to the outdoor pool on a particular day should inform the staff at check in.

Personal items should be labeled with the child's name and carried in a backpack or sports bag.

**No water guns, video games, tennis balls or other personal toys should be brought to camp.**

**HEALTH AND EMERGENCY** - Please make sure that the Recreation and Parks staff has been informed of any and all medical conditions and allergies from

which your child may suffer. This is especially important in the case of bee sting allergies, poison ivy, food or other allergies. In the event of an

emergency, the staff may authorize medical treatment in life-threatening situations. Parents or guardians will be informed immediately. A statement of consent to this policy must be signed by the parent/guardian at the time of registration.

**All Recreation and Parks Department summer staff are certified in Child and Adult CPR and First Aid.**

Due to the nature of the activities offered during the summer camps, participants will spend several hours a day outside. Every effort will be made to see that children are protected from excessive sun. Parents should see that sunscreen is applied to their child prior to the start of camp each day.

The Camp staff will encourage children to re-apply sunscreen before going to the pool in the afternoon and will provide

assistance as needed. Children who are extremely sensitive to the sun may need to have sunscreen applied more frequently. Children must bring their own sunscreen and will be encouraged to help take responsibility for applying it.

### ***CAMPER'S ARRIVAL AND DEPARTURE***

Camp children must be checked in and out by a staff member on entering and/or leaving the program facilities each day. A child may be released **only** to the person(s) named on his/her registration form. **All adults picking up a child should be prepared to show an ID.** If parents wish to make changes to their child's pick up list it must be done in writing. for unexpected delays due to unforeseen events such as traffic, weather, etc.

***DISCIPLINE*** - The method of discipline used by our staff is positive reinforcement, time out, loss of privileges and suspension. When necessary, parents will be expected to help with the disciplinary process. Each incident will result in a write-up. Parents will be notified of each write up. After three write-ups, a parent/staff conference will be scheduled to discuss a resolution.

Children involved in fighting, verbal abuse of others, disregard for authority, or any activity that places themselves or others in serious danger may be suspended from the program on the first offense. No refunds will be made to participants suspended from the program.

***SWIMMING LESSONS*** - This is a program to help add some valuable water safety and swim instruction for all ages of participants. These swimming lessons are American Red Cross certified and are provided by our aquatics department. Class sizes are small and space is limited. Sign up early! There is an additional fee of \$55 for swimming lessons.
